# **CPP SPORTS HALL OF FAME**

---

## **NOVEMBER NEWSLETTER**

We are now in full swing of our 2022-23 season and our first annual event is on the horizon and scheduled for later this month.

On the Sunday following Thanksgiving the C-PP Sports Hall of Fame will be holding its annual fund raising bowling event. The event will take place on Sunday, November 27th at Crystal Lanes and is open to anyone wishing to help support the Hall of Fame.

It is our only fund raiser with all the funds going towards helping with the expenses of our annual induction dinner along upkeep of our newly designed web page which includes our up to date Facebook page.

Our bowling event is open to the public. It's a four-person per team, with a 9-pin, no-tap format. That means any first ball that knocks down nine pins will count as a strike. A team may consist of any combination of men, women or junior bowlers, keeping in mind this is a fun event. The cost is \$25 per person or \$100 per team. The entry fee includes three games of bowling, shoes if needed, along with door prizes and pizza for lunch. Many thanks to Picnic Pizza for providing the pizza. There will also be raffle prizes and 50/50 drawings during the event.

To secure a spot in the bowling event, contact Hall of Fame director Bobby Downing at Crystal Lanes during regular business hours. The event will be limited to the first 30 teams who sign up. Entry blanks are available at Crystal Lanes and on our website. Keep in mind, you do not need to be a league bowler to participate. It's a fun event. The winners receive a plaque. There is no prized money involved.

The deadline for nominees has passed. It was October 31<sup>st</sup>. Any resumes after that date will be kept on file to be considered for next year.

For those of you who have tried to get into the lobby of the Baron Steuben Building to look at our displays and plaques, thank you for your interest. We are currently working with officials to try and get the door to Market Street to remain unlocked so visitors can stop and look. It was locked as a precaution during the pandemic. Hopefully we can convince those officials to consider unlocking that door, at least during what would be considered business hours and weekends. Especially when there is one of the 'events' happening on Market Street.
