
CPP SPORTS HALL OF FAME

JULY NEWSLETTER

July is one of the two months of the year that the Corning-Painted Post Sports Hall of Fame does no special activities.

This month and next month are officially our 'off-season'. We do begin our official 2023-24 season on the last Monday of the August which actually serves as the monthly meeting date for the month of September as we don't meet on the first Monday of September which is Labor Day.

Having stated that, there is never a wrong time to start putting together a resume for a candidate for possible induction into the Hall of Fame. For a guideline on how to go about doing that, please check the area of this website and it will show you step by step on how to put together a resume and the information that is required.

If you need any help with the process, please feel free to contact any of the members of the Board of Directors. Their names are all listed on this website and all of them are more than willing to help you with the task.

Keep in mind the deadline for submitting a resume for a candidate for the Class of 2024 is October 31, 2023. You can do it online with form provided here on the website or you can submit a hard copy and mail it to us. It does have to be postmarked by October 31, 2023.
