

CPP SPORTS HALL OF FAME

SEPTEMBER

NEWSLETTER

With October upon us, the Corning-Painted Post Sports Hall of Fame, Board of Directors want to remind everyone of the upcoming deadline for the nomination of a candidate for possible induction into the Hall of Fame.

The deadline for submitting a resume for a candidate is October 31, 2024 for the Hall of Fame, Class of 2025. There will be no exceptions and any resume received after this date will be filed and presented for consideration for the Class of 2026.

Resumes may be submitted through the process explained here on our website or may also be sent by hard copy to the following address:

C-PP Sports Hall of Fame

P.O. Box 881

Corning, NY, 14830

All resumes must include the name, current address and current phone number(s) along with the current email address of both the candidate and the sponsor. Any resume received that doesn't include this basic information will not be considered until that information is received.

Resumes should include as much information as possible on both individual performance and team accomplishments. Newspaper articles and letters of support are also very helpful. It's also acceptable for a combination of electronic and hard copy resumes since it may be difficult to include articles and letters on the website.

Keep in mind that more information is better than not enough information. If anyone needs any help putting together a resume please feel free to contact one of the directors listed here on the website.

The Board of Directors would also like to let everyone know that the Bowling Event Fundraiser will take place at noon at Crystal Lanes on Sunday, December 1, 2024. It's the Sunday following Thanksgiving. It's a four-person per team, 9-pin, no-tap format and the bottom line is having fun. We will have more information on this event in the next newsletter.
