JANUARY

NEWSLETTER

Things are starting to come together as the Corning-Painted Post Sports Hall of Fame as the Board of Directors gear up for the celebration of their 50th Anniversary Induction Dinner.

With that in mind, the Board has a full calendar of events coming up. Following are some of the dates to keep in mind.

February 25th – Final day to reserve an ad in the Induction Program.

March 5th – Final day to reserve tickets for the Induction Dinner. To purchase reserved tickets, contact Board of Directors secretary Larry French at the address or phone number posted on this website. The price of tickets is \$25 per person.

March 13th – The annual social gathering for the Sports Hall of Fame to be held at the VFW on Baker Street. This event, which begins at 6 p.m., is open to the public and the Board of Directors will be hosting a free pasta dinner that will be catered by the Woodhouse Stadium Grill. Come join us for a great evening.

March 14th – The 50th Annual Induction Event will take place at the Corning Museum of Glass. The event will begin at 1 p.m. and all reserved tickets for the event can be picked up at the door on the day of the event. There will be no tickets sold at the door on the day of the event.

October 31st – The deadline for resumes to be submitted for the Class of 2027. Guidelines for filing a resume are on this website.

February 7, 2027 – Our annual fund raising bowling event that will be held at Crystal Lanes. The event will begin at noon and everyone is invited to participate. It is open to the public and you do not have to be a bowler to participate. It's a fun event that will also have raffle prizes, a 50/50 drawing and a bunch of other activities. It's a four-person per team with a nine-pin, no-tap format. That means nine pins down on the first ball counts as a strike. This is the only fund raiser the Hall of Fame holds and we're looking for everyone to join us for a day of fun.

For the record, anyone can help support the Hall of Fame with a donation or by taking an ad in our Induction Program.
