

CPP SPORTS HALL OF FAME

MAY '26

NEWSLETTER

The Corning-Painted Post Sports Hall of Fame, Board of Directors have closed the books on their 2025-26 'season' and it was a very successful celebration of the 50 th Anniversary of our Induction Ceremony that took place at the Corning Museum of Glass auditorium that culminated our season.

The Board of Directors are now looking forward to the 2026-27 season with great anticipation. The success of the next season is truly dependent on many things but one of the most important issues is the gathering resumes

for candidates for possible induction into the Hall of Fame in the Class of 2027.

The Board of Directors wants to stress the fact that anyone can nominate anyone, be it a family member, friend, former teammate or coach or a contributor. On this website is a guideline for all the information that is required or needed for any candidate.

It's very important to include as much information as possible on the candidate, including all the stats you can gather, along with awards or special recognitions plus information about the teams (schools) that he/she played for. Each resume – and this is important – must include the name, current address, email, phone number or any other contact information for both the candidate and the sponsor.

Any resume that doesn't include this information will be considered by the board of directors as incomplete and could be held back until the following year as we try to get this information.

If anyone has any problems with how to go about putting a resume together, please refer first to the guidelines that are posted on this website. If you are still unsure about anything else, feel free to contact a member of the Board of Directors and they will do the best they can to assist you. The names of the members of the Board of Directors are listed on this website.

Once received, all resumes will be directed to the committee chairman of the particular sport or category and will be voted on during our December meeting.

There will be no newsletters for the months of June and July. Have a great summer.
